Gap Analysis: Provide information regarding why the planning team decided on the content for the activity: Tell us what tool you used to identify and define current health care issues. A gap analysis clarifies the discrepancy between current reality in health care and the desired or optimal health care situation and identifies an opportunity that may be addressed in the CME activity. The identified gap should have helped define the curricular goal of the activity.

What are you going to teach the participants? Content Goals for the CME Activity

Select the fields that are needed for assessment and any barriers related to this activity. (Choose all that apply, provide documentation for each selection)

| | Evidence-based, peer-reviewed literature | | |
|--------|---|--|--|
| | Outcomes data that supports team-based education | | |
| | Quality care data | | |
| | Issues identified by colleagues | | |
| | Problematic/uncommon cases | | |
| | Ongoing consensus of diagnosis made by physician on staff | | |
| | Advice from authorities of the field or societies | | |
| | Formal or informal survey results of target audience, faculty or staff | | |
| | Discussion in departmental meetings | | |
| | Government sources or consensus reports | | |
| | | | |
| | New technology, methods or diagnosis/treatment | | |
| | Legislative, regulatory, or organizational changes impacting patient care | | |
| | Joint Commission Patient Safety Goal/Competency | | |
| Nhat i | s the identified gap as it relates to knowledge, skill, competence, practice, or patient outcomes? | | |
| | | | |
| | | | |
| | | | |
| | source or sources did you use to identify the Gold Standard or Best Practice that your scope of learners should ng for better patient outcomes? (LIST and attach the sources) | | |
| | | | |

| None |
| Provider ☐ Clinical Knowledge/Skills/Expertise ☐ Recall/Confidence/Clinical Inertia ☐ Peer Influence ☐ Motivation ☐ Cultural Competence ☐ Fear/Legal Concerns |
| Team □ Roles and Responsibilities □ Shared Values and Trust □ Communication □ Team Structure □ Competence □ Consensus |
| Patient ☐ Patient Characteristics ☐ Patient Adherence |
| System/Organization □ Work Overload □ Practice Process □ Referral Process □ Cost/Funding □ Insurance Reimbursement □ Culture of Safety |
| Other Lack of Opportunity Not Enough Time |
| Comment |
| |
| ACCME Commendation Criteria. Select all that apply to the activity you are planning. |
| Promotes Team-based Education: |
| □ C23 Members of interprofessional teams are engaged in the planning and delivery of Interprofessional continuing education (ICEP) □ C24 Patient/public representatives are engaged in the planning and delivery of CME Saint Louis University AMA application revised 5/8/2018 for activities in 2018-2019 cme@health.slu.edu 314-977-7401 |

Barriers (choose none or all that apply)

Page 4

| Addresses Public Health Priorities: | |
|---|---|
| C26 The provider advances the use of health and practice data for healthcare improvement C27 The provider addresses factors beyond clinical care that affect the health populations C28 The provider collaborates with other organizations to more effectively address population health issues | 1 |
| Enhances Skills: | |
| □ C29 The provider designs CME to optimize communication skills of learners □ C30 The provider designs CME to optimize technical and procedure skills of learners □ C31 The provider creates individualized learning plans for learners □ C32 The provider utilizes support strategies to enhance change as an adjunct to its CME | |
| Demonstrates Educational Leadership: | |
| □ C33 The provider engages in CME research and scholarship □ C34 The provider supports the continuous professional development of its CME team □ C35 The provider demonstrates creativity and innovation in the evolution of its CME program | |
| Achieves Outcomes: | |
| □ C36 The provider demonstrates improvement in the performance of learners □ C37 The provider demonstrates healthcare quality improvement □ C38 The provider demonstrates the impact of the CME program on patients or their communities | |
| Povide a list of objectives that tie back to the content. Objectives should be written in measurable terms so the participants can review the objectives and know exactly what the content will cover. The participants should be at to determine if this educational content will help them improve the discrepancy. Do not use words such as understand, increase knowledge, comprehend, know, and learn. Suggested approved terms such as adjust, classif diagnose, apply, compare, predict, solve, choose, develop, formulate, manage etc | |
| | |
| | |
| | |
| | |
| Does any of your content cover socio-economic, racial, religious, or cultural disparities? If yes, List how your educational content identify and address issues to diversify and eliminate disparities. | |
| | |
| | |

□ C25 Students of the health professions are engaged in the planning and delivery of CME

| Please list the names of anyone that was in control of content and/or helped with choosing speakers. | | | |
